Jorianne,

Sounds great. I will have Ryan Benson with me as well who was on the call with Lee Forsgren last week if that is ok.

Thank you very much,

Bill

Hi Melissa – absolutely, thank you!

Hi Bill – I'd be more than happy to talk to you about this project and a potential WIFIA loan. Please feel free to give me a call or shoot me an e-mail with your questions.

Hi Jorianne,

Lee had a call with Bill Simmons (reading in copy) and Ryan Benson last Friday regarding a project to restore Utah Lake. There was some interest in how the WIFIA program may be able to help in this effort. When you have a moment can you reach out to Bill and answer any questions he may have?

Bill, it was great speaking with you earlier this week. You are in very capable hands with Jorianne – she knows all the ins and outs of this program. Please feel free to call if you need anything else. Thanks!
